The American Cooking Stove in Court.

At an adjourned term of the Circuit Court of the United States, for the Northern District of New York, in the second circuit held at the City Hall, in the city of Albany, the 28th day of January, in the year of our Lord 1868.

PRESENT: The Hon. NATHAN K. HALL, Judge, JACOB H. SHEAR & JOSEPH PACKARD, es. In Equity Geo. B. BELL & JOHN M. ROCKWELL.

It is further ordered, adjudged and decreed, that a perpetual injunction be issued in this suit against the defendants, restraining them from further infringements of said Patent, No. 51,406, Dated Dec. 5th, 1865, for improvement in cooking stoves, pursuant to and in accordance with the prayer of the Bill of Complaint.

The above was instituted for infringement of the Patent securing the manner of fitting the ash pan in the heart of the American Cooking Stove, and for the combination of the balled ash pan. We have repeatedly cautioned the public against selling or using stoves with these improvements not manufactured by us. All persons now selling or using stoves with these improvements in violation of the above injunction, without license from us, will be liable to fine and imprisonment. SHEAR, PACKARD & CO. 205-9m.
